That is a Firm that Newell uses and can not make a move without contacting Newell. Gary sends all collection accounts to them. More later. Also remember that if they do take you to court the court will just put you on a payment plan.

Good morning, I just call again and talk with his assistant and seems that she knows who I'm (my perception) because even that she initially said to me that he is busy, after she ask me for the reason of the call and I give her a brief, she put in hold but later she said that Gary will contact me and I ask her to make sure to contact me soon because I have to run with the lawyers if nothing happen with my conversation with him...I'm going to cross my fingers and look for his call back. Did by any chance you, you heard anything?
